February 2026

Friends of Veteran Community Initiatives, Inc. (VCI),

We are proud to announce our participation in Highmark's Annual Walk for a Healthy Community. This event offers a wonderful opportunity for VCI to stand alongside our neighbors, highlight our commitment to local Veterans, and promote healthy lifestyle habits throughout the region.

We invite you to join VCI on Saturday, May 23, 2026, at Point Stadium in downtown Johnstown to walk with us as we represent our local Veteran community. Donations are encouraged but not required. Please note that participants who contribute \$30 or more will receive a free event T-shirt from Highmark Health. If you're unable to attend in person, you can still support VCI's mission by donating on our behalf through the event's online platform by scanning the QR code.

For 33 years, VCI has worked tirelessly to enhance the lives and well-being of Veterans and their families across Cambria County and 12 surrounding counties in the PA Laurel Highlands Region. Our mission is carried out through compassionate assistance, dedicated advocacy, and high-quality programming—all provided at no cost to those we serve. As a nonprofit organization, VCI relies heavily on the generosity of individuals within our community. Your participation and support help us continue offering vital services to the men and women who have given so much for our country.

Again, we want to thank you for your support of VCI and its many programs. If you have additional questions, please feel free to call us or visit our website. We hope that you can join us. Remember this is your community program!

Thank you again and we look forward to walking with you!
