This year the Parkhill American Legion Riders will be having our 7<sup>th</sup> annual Suicide Prevention POW/MIA motorcycle run on Sunday, May 24, 2026 along with the SAR (Suicide Awareness and Remembrance) program where we honor up to 3 veterans who have taken their own lives.

Our ride in 2025 raised over \$11,000 to support several veterans' organizations. We have set a goal for the 2026 ride to be \$14,000 with the generosity of the companies and organizations in our area we will be able divide proceeds among the Daughters of the American Revolution, SAR Flag ([SARFLAG.org](http://SARFLAG.org)) and the Parkhill American Legion Riders to provide veterans with the highest quality of life possible. Please see the sponsor levels below.
